President's Message

Hello Guild Members ~

We had another great meeting with Sue Miller's demo on Scrap Art. I know many are looking forward to Connie Farland's class on Color. She has told me a little bit about what she is planning and it sounds so exciting. I wish I could be there but I will be in Washington DC meeting with Senators with fellow REALTORS® across the country. I am sure it will be another amazing guild meeting. We do have a guild class on May 6 at First Christian Church in Richlands where Kelly will be teaching the small retreat bag. Please reach out to see if she has any available seats left.

Wow it was cool to see how long some of the members had been with the guild. Thank you all for showing up, giving back and inviting others. I look forward to seeing you all in June at One Place. We are wanting to have a large amount of quilts to donate to child advocacy. Sue and Mary H. has quilt kits. Please reach out to them if you can make some. I will miss being able to spend time with you all.

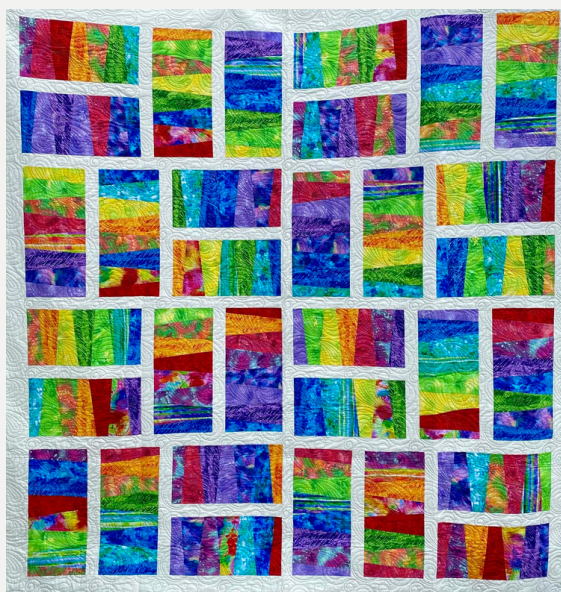

Thank you,
Kim Perkins

Quilt Guild News

The quilt is a “FAB FIVE Design” and the committee chose all new bright color fabrics to have the quilt brighten your day and make people smile. The quilt back is solid white fabric. It was quilted by Kathryn Haleen at Quilt Lizzy with a multi-color thread to bring out the beautiful pattern and tie it in with the colorful front. This makes the quilt a true two for one quilt. The raffle quilt was put together by the 2023 raffle committee and numerous members of our guild.

The 2023 quilt winning ticket will be pulled at our Day of Sharing in September 2023. Tickets are available for purchase at \$2 each or three for \$5.

It would be great if all members of the guild would consider the option to buy or sell \$20 worth of tickets .

Members needing tickets – please see Charlene Pope or Jacqui Pritchard Share the quilt on your Facebook to boost our sales – they can buy through you or visit one of the Jacksonville quilt shops.

Quilt Guild News

We have several committees in our guild. Over the next few months, we want to introduce you to them and their chairperson.

Sue Perry chairs the Membership Committee this year. This committee is very important as they handle membership renewal each year and keep the roster updated as new members join. They also are some of the first people all visitors and new members meet. This tends to be a job for someone who loves meeting new people. Thanks, Sue, for stepping up this year.

Quilting News - Scraps Happy

Speaking of Scrappy! Special thanks to our fabulous Sue Miller for another fantastic workshop and Trunk Show of her scrappy collages. Participants chose from a Rabbit, Bunny or Hare design to work their own magic.

Susan Ache

*Susan's Scrappy Secrets
Sampler Spree, Martingale 2021*

I met Susan at my fav FL quilt shop, Cinnamon's, in Mandarin, right off I-295, south of Jacksonville. As a Jacksonville resident, Susan is a frequent guest instructor and speaker at local shops. She is also a MODA designer and author of quilt books. Susan shared a raft of ideas for organizing and using scraps. I wish I had known her suggestions back when... My current scrap stash overflows two rather large baskets under my worktable. Susan sorts by color and size, which makes culling your scraps for a project so much easier!

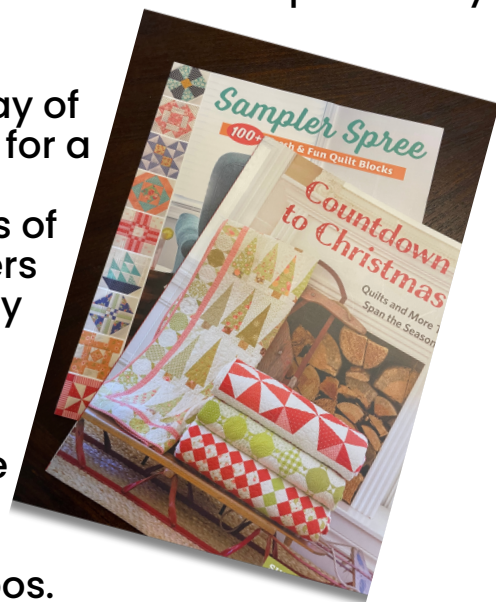

You can find Susan on Instagram at yardgrl60.

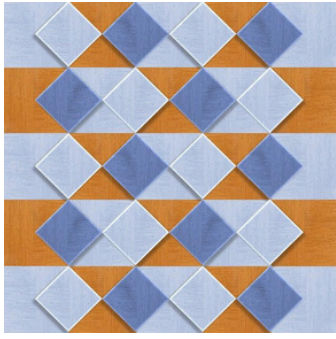

When it comes to selecting fabric, Susan follows the rule of odd numbers, making sure there are enough scraps of one fabric to include 1, 3, or 5 pieces of the same fabric. (p 17)

Hold off on emptying your studio trash bin. It's not unusual to need that last little scrap for a tiny mistake. (p38)

Susan has a unique way of inspiring color combos for a new quilt - she clicks through Google images of nature and often gathers packaging from grocery store items!

My favorite is how she mixes and matches the produce at a local market for a new perspective of color combos.

Quilts of Valor

We have scheduled another QOV Sew Day for 20 May here in Jacksonville. You must register to get the information about the exact location and time.

In order for us to get the lower cost for the space, attendance has to be by invitation and we are not allowed to charge for the event. This is a non profit group - which means we have little to no money. Donations will be accepted to cover the cost of the space. Previous donations were used to cover the space instead of purchasing backing/batting - so if you can help out that would be great.

Please call All About Quilting to sign up and reserve your spot. The cell number is 910-577-9200 (you can leave a message 24 hours a day).

Lunch will be provided by Jersey Mikes or bring your own snacks and drinks. You do not have to stay the whole time. All help is appreciated.

Ways you can help that day:

- Iron - to help people sewing and let them continue to sew. This job was a wonderful help during our last QoV sew day.
- Cut - bring your cutter and ruler that you like and are familiar with - and mat - to square up for those sewing, and cut more quilt kits.
- Machine Sewing - you can bring your machine and sew: pillowcases (burrito style), blocks (Accuquilt cut, 2022 Block or 2023 Blocks, 9 patches with 5" squares).
- Hand Sewing - Come with your hand sewing tools and sew labels on or sew bindings.
- Expertise - layout quilts with blocks that are all ready complete - pencil and paper to write down your ideas so that they can be placed with the pieces and directions followed!

You can come and just fellowship and just enjoy the fellowship of the group..

Thanks for all you do to make our veterans smile!
