JULY 2023

# President's Message

Hello Guild members~

What a great meeting we had at One Place. Thank you to everyone for the group effort of making such a huge impact. It doesn't matter if you did 1 or 100 quilts for donation.

Every quilt is special.

Your one quilt may be the one that gives comfort to that child when they needed it most. We so appreciate the members that do way more than their share because your heart tells you too. You are touching so many with your gift of giving.

When I heard the story of the young lady that didn't know she had been at the CAC until she picked out her quilt, it really hit home to me. Each kid that picks a quilt feels every bit of love that is sewn into those quilts. I know for one that it made a huge impact on me. I personally have not been able to do as many quilts as I would like but so grateful for all of you that do. I love that we can learn new things and do good for our community. One of the reasons I joined when I did was because of what we do for others. Giving and kindness is what makes the world a better place. Thank you for doing just that!

Next month we get to enjoy each other in a Membership Appreciation Night. We will supply dinner! Just bring yourself and whatever show and tell you want to bring. September will be here before we know it so make sure to sign up for Day of Sharing. There is more information later in this newsletter.

I look forward to seeing you all soon. Hope everyone is enjoying the summer weather coming in. I know a few of our members are traveling. Enjoy your time and make many memories and we will see you when you come back.

Kim Perkins  
*CPNQG President*

We have several committees in our guild. Over the next few months, we want to introduce you to them and their chairperson.

## **HOPE FIRST**

### Onslow Pregnancy Resource Center

Denise Thompson is the Hope First: Onslow Pregnancy Resource Center chairperson. They help women make informed decisions. Their staff is caring and will provide you with the services, resources, and advice you need to make an empowered decision that is right for you now and in the future. Each August, we have a "baby shower" for the Center. This way, we can give them baby items, mother "care" items, or funds to help with their baby boutique.
