# President's Message

Hello guild members~

Open Sew Day always provides an opportunity for our guild to gather together for learning, sewing, and fellowship. What a nice holiday open sew we had on October 9th. Several guild members had the privilege to learn from a talented teacher right in our guild, Charlene Pope. She did a class on paper piecing. Everyone seemed to enjoy it. It is always a great thing to learn from each other. This is what the guild is all about.

I am grateful to be able to serve you as your president for another year. The Board and I are already planning some more great things for the guild. We would love input on anything that you as guild members would like to see happen during 2024.

At our October guild meeting, besides the voting, Missy Pierce did a demo on chenille and I myself can't wait to try it this technique. When she pulled out the tool I realized I had it at home. lol. The stuff we collect. Several members expressed an interest for a class, so we will work on this for next year.

I will be using my winnings from the 50/50 to buy more raffle tickets. Please share the pictures that our guild photographer Diana took and sell some more raffle tickets. They are absolutely stunning. I can't wait to see the others that she will take.

As of right now I will not be at the next two meetings. I have a conference in November and exec board meeting for NC REALTORS in December. I hate to miss the Christmas party again but it seems that this meeting is the same time this year as last. I know Mary and her committee members will do a great job.

Many of you all are getting ready for retreat as I write this letter. I know it will be a wonderful time of fellowship, laughter and getting those ufo's done. I will miss being with you all. Please take plenty of pictures and I can't wait to hear all about it.

See you all soon  
Kim Perkins  
*CPNQG President*

## GUILD HOLIDAY/CHRISTMAS PARTY

You are invited to the annual Holiday/Christmas Party. It will be a night of great eating, games and fun with your friends.

**2024 Raffle Quilt:** We have the 2024 Raffle quilt tickets available. As it is not required to sell these tickets it is highly encouraged for each member to try to sell at least \$20.00 in tickets. In order for our guild to continue to get supplies for making quilts for One Place and our other charities we need to have money coming in. The Raffle Quilt is a great way to do this. We also would like to have classes available for our members to take at a low cost, however to bring in teachers we need funds to pay for them, which circles back to selling raffle quilt tickets.

If you say " I don't know anyone or I don't like approaching people" I completely understand. I can talk to a tree, but not everyone is like me. So we plan to help throughout the year. We will be posting in the public Carolina Pine Needle Quilters Guild Facebook page so you can just click on share and see if anyone comments they'd like tickets.

I have envelopes I bring to the meeting with your name on it. Inside is a photo of the quilt and on the back is all the information you need to help with any questions you may get. There are tickets inside as well. I have stapled 3 together which is a value of \$5.00. There are 4 of these sets. You do not need to pay for these upfront at all! Just grab your envelope and carry with you. If someone wants any tickets just collect their money and the stub with their information then turn in at the next guild meeting or contact me or any board member if you wish to turn in before then.

If you know of any event or craft show coming up I will contact them to see if we can set up the quilt for ticket sales.

## 2024 CPNQG RAFFLE QUILT

We are going to be setting up at Winterfest, Dec 1-3. It will be at the Commons in Jacksonville. I need help with selling tickets in 2 hour shifts. You just need to show up! I will be there in the morning and at the end of the day to handle the cash box. You won't need to worry about that. No hoisting the quilt up, running to the bank or any heavy lifting. Just hangin out at the table selling tickets. We'd prefer 2 people per shift. Sign up for 2 shifts!
