MARCH 2023

President's Message

Hello Everyone,

What a great February meeting we had showing each other love and eating some yummy snacks. Thank you everyone that brought snacks and participated in the card exchange. We have so much talent in our own guild. Thank you so much Connie for teaching us the flange binding. Connie is a wonderful teacher and I can tell you I went home and downloaded the "Geeky Bobbin's Magical Rainbow of Binding" chart.

In February we also enjoyed an open sew day where Sue and Virginia showed us how to sew curves. There were so many cute animal blocks made with this technique. We also had time to make items for the craft fair.

The guild committees have been hard at work and I am hearing some exciting things going on. We will have a few committee sharing updates at the next meeting in March.

Don't forget that we have our Saturday sew day the Saturday, March 4th which will be our guild sew day for the month of March.

Information, address for Richlands First Christian Church, and what you need for the class is found on page 4 of this newsletter. Hope to see you all there. If you haven't signed up please contact Sue Miller to let her know you are coming. I am looking forward to enjoying a fun Saturday.

The agenda and meeting documents will be sent out a week before the meeting so it's fresh in our minds.

Oh and who ordered the green snow? It's way to early for that. If it means I can plant my garden and plants earlier I will deal with it.

Thank you,
Kim Perkins

2024 RAFFLE QUILT:

Chairperson Sherry Crockett reported that the pattern has been chosen - Perfect Union by Edyta Sitar. Sherry Crockett adopted pattern to make it Queen size.
